

Chain Vent Winch

Australian Made Poultry Winches for Drinker and Ventilation Applications

581CWW

Poultry Winches / Ventilation Winches / Chain Vent Winch

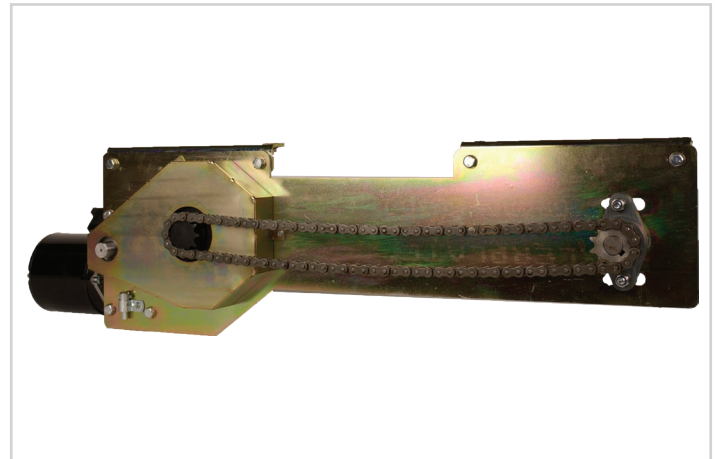

Grifco's innovative Ventilation Winches have been specifically designed for typical poultry sheds. Our winch range is Australian made and are supported by a 5 year warranty and Grifco's national poultry specialist team.

Key Features

- Designed and tested to perform in corrosive environments
- The high quality motor and gear box are fitted to a strong, steel fabricated frame
- Built in mechanical limits for perfect positioning every time
- Manual override to allow operation in the absence of power
- Adaptable mounting
